

Official Online Self-Paced

The Ultimate Flexibility in Certification Exam Prep

Get ready for your (ISC)² certification exam anytime, anywhere – without sacrificing quality for flexibility. Online Self-Paced Training gives you on-demand access to official course content and complete autonomy to prepare with convenience and confidence.

Available for CISSP, SSCP, CCSP and CISSP Concentrations, Official Self-Paced Training offers on-demand access to pre-recorded video content and official courseware to help you prepare in your own space, on your own schedule.

5 ADVANTAGES of Online Self-Paced Training

1. **Convenience.** Access all course content anytime, anywhere.
2. **Flexibility.** Train whenever it fits your schedule.
3. **Cost Effectiveness.** Save yourself travel expenses and precious time.
4. **Comprehensiveness.** Gain comprehensive coverage of all certification exam domains.
5. **Maximum Retention.** Review and reinforce concepts online during your 6-month access.

Course Includes*

- 180-day access to official course content and resources
- Pre-recorded videos and narrated presentations
- Real-world scenarios
- End-of-chapter quizzes
- Post-course assessment
- Online interactive flash cards
- Education Guarantee**

*Availability of training features vary by certification.

**Education Guarantee: If you do not pass the exam on your first attempt after taking the online self-paced course directly through (ISC)², you can access the self-paced training course through (ISC)² again at no cost to you (within one year from the end of the initial course). The Education Guarantee covers the cost of the second course only.

Prep for Success

Whichever credential you pursue, the (ISC)² Official Training route is a proven way to build both knowledge and confidence essential for success. It's the surest path to learning the most relevant, up-to-date content developed by (ISC)², creator of the Common Body of Knowledge (CBK) – the basis for all exam domains you'll be tested on.
