

Official Online Instructor-Led

Get the Best of Both Worlds in Certification Exam Prep

We know life is hectic and finding time to prepare for an (ISC)² certification exam can be challenging. That's why our Official Online Instructor-Led Training delivers interactive exam prep to fit your busy schedule. You get the best of both worlds – live expert instruction and online convenience for complete flexibility.

Perfect for distance learning, this hands-on training format blends the structure of a real-time class in a virtual setting, with the option to access recorded course content on demand.

7 ADVANTAGES of Online Instructor-Led Training

- 1. Convenience.** Access all course content anytime, anywhere through your computer.
- 2. Flexibility.** Train over consecutive days or weeks – whichever works with your schedule.
- 3. Real-Time Interaction.** Communicate directly with an (ISC)² Authorized Instructor, a vetted subject matter expert in the field.
- 4. Collaboration.** Engage with other students and learn from their experiences.
- 5. Cost Effectiveness.** Save on travel expenses while preserving precious time.
- 6. Freedom.** If you miss a live session or need more time on a particular topic, recordings of past live sessions are easily accessible.
- 7. Maximum Retention.** Benefit from comprehensive coverage of all certification domains and review content throughout the 6-month access window.

Course Includes*

- Live virtual instruction from an (ISC)² Authorized Instructor
- 365-day access to the Official (ISC)² Student Guide (electronic)
- 180-day access to official course content and resources
- Recordings of live virtual sessions
