ISC2 Quick guide to CPE credits

CPE Rules | Activities | Submission tips

CPE Requirements per certification:

<table>
<thead>
<tr>
<th>Certification</th>
<th>Total Group A</th>
<th>Total Group B</th>
<th>Total Group A or B</th>
</tr>
</thead>
<tbody>
<tr>
<td>CISSP</td>
<td>70</td>
<td>15</td>
<td>85</td>
</tr>
<tr>
<td>CISSP P</td>
<td>90</td>
<td>30</td>
<td>120</td>
</tr>
</tbody>
</table>

General CPE rules and guidelines:

- Activities are accepted at face value unless noted otherwise.
- Hours are not transferable.
- Activities must be completed after the certification cycle start date.
- Activities cannot be reapplied.
- Activities performed during certification suspension will not count.

For a comprehensive CPE credits guide:
See the ISC2 CPE Handbook.

Ready to submit CPE credits?

Certifications:

- CISSP
- CCSP
- CSSLP
- CSCP
- GCIA
- GCED
- CND
- CSS
- CDPSE
- CRSP
- CFD
- CCSE
- CCE
- SSCP
- CSSQ
- CDS
- CSD

Activities:

- Official Online Training (Group A)
- ISC2 and the Profession (Group A)
- Educational and Professional Development (Group B)
- Projects (Group A and B)
- Contributions to ISC2 (Group A and B)
- Certifications (Group A and B)
- Top Tip: Avoid last-minute CPE credit submission; plan ahead to meet requirement.

Top Tips:

- When you login to the CPE portal to submit your CPE credits, make sure to select all the relevant domains from all your certifications in a single submission.
- Make sure to upload evidence of all CPE activities when submitting CPE credits to streamline audits!
- Top Tip: Always document and upload evidence of CPE activities submitted + All AMFs paid.
- ISC2 auditors perform random audits, so always maintain a log (digital or physical) for CPE certification renewal.
